Best Wishes For Your Future Plans

As a 1984 graduate, we are sure you have made many plans for the future. At Westvaco, we make forest management plans for the future everyday.

With wise multiple-use planning, our scientifically mananged forests can provide wood, food and cover for wildlife, help control erosion, protect watersheds and offer opportunities for recreation. We're dedicated to economical and environmentally sound, multiple-use management of the renewable resources in our care, for your future use.

We extend best wishes for your continuing success and fulfillment of your plans for the future.
